

**The International VIP-Loge took up
*****Hotel Rey Juan Carlos I Barcelona
to the Elite-Group of VIP-Business-Hotels worldwide**

Vicepresident of the International VIP-Loge Folkert Klaasssen Ph.D. handed over the Award "1.VIP-Business-Hotel in Barcelona" to Subdirector Alberto Depau. Left: Front Office Manager Ramón Sellart.

The *Hotel Rey Juan Carlos I* was inaugurated by the King and Queen of Spain just a few days before the opening of the "1992 Olympic Games" in Barcelona. This event took place only 649 days after the groundwork started. It set up the most spectacular and efficient Hotel in Spain. Considered worldwide one of the best 35 Hotels and member of "The Leading Hotels of the World", the *Hotel Rey Juan Carlos I* obtained the "1992-1993 National Architecture Award" and till now (June 2007) "One of the Awarded VIP-Business-Hotels worldwide".

There are 24 meeting rooms, designed to provide a wide range of options. Most of them receive direct sunlight and can be divided into up to 19 modules. Some of them have ramps and allow an easy access to automobiles and all type of equipment. There are also indoor and outdoor facilities available for the clients.

Presidential Suite

The *Hotel Rey Juan Carlos I* is considered as the centre of all industrial, financial and cultural events that have been celebrated in Barcelona: launchings of the latest models of leading car manufacturers, exclusive fashion shows by some of the most prestigious designers, the best known literary prize, the "star night" of sports, the tourism convention, etc. have captured, day after day, the attention of both the Barcelona citizens, the international press and the guests of the Hotel.
